Dear Mr. Ward:

The Division of Waste Management, Superfund Section, Pre-Regulatory Landfill Unit has reviewed the **March 18, 2016** Cost Adjustment for the activities associated with Task Order **808SUM-1B**. The cost adjustment in the amount of **\$639.50** is approved. This letter serves as notification of the approvals and as authorization to proceed with activities associated with the **808SUM-1B**.

While the total expense on the invoice cannot exceed the amount approved, individual task components within this task approval may vary. Any increase in cost to this scope of work must be approved prior to implementation. A task order addendum must be requested to cover an additional scope of work or unforeseen site circumstances. Notify me immediately and request additional funds to cover eligible and reasonable costs. Cost of additional work conducted without approval will be ineligible for payment.

I look forward to receiving your 808SUM-1Report soon. If you have any question, please contact me at (919) 707-8347, or zi-qiang.chen@ncdenr.gov. Thanks!
